AGUSTÍN DEMERATH

Associate Planner
ademerath@speckdempsey.com

Agustín Demerath is an urban planner with a focus on multi-modal transit, ecological resiliency, and social spaces. His work is shaped by an expertise in academic publications, GIS analysis, policy work, teaching, and urban planning and design. Having grown up in Shreveport, Louisiana, and spent countless summers in Ibarra, Ecuador, Agustín brings a broad range of cultural perspectives and placemaking experiences to his work. In his free time, he enjoys playing soccer, running, drawing, and playing the double bass or cello.
